

## Volunteering Opportunities

SCDC are trying to provide scheme to support the Service Users integration in the community, in order to be able to deliver these schemes we will require the support of the community volunteers to work alongside us. The following opportunities are available:

### **Pool Bike Scheme**

About: SCDC will be providing a pool of 20 bikes (10 adult bikes, 10 children bikes) along with locks, helmets and optional child seat if needed for Service Users to use. The scheme will work on a check out and in system. Service Users will be required to watch a cycling safety video and read some advice for cycling information before getting their bike.

Volunteer Requirements: We are looking for 2 volunteers per session that are able to come to the hotel 1 hour in the morning to check out the bikes and 1 hour in the afternoon to check the bikes back in. The volunteers will need to keep a logbook of the who signs out which bike and confirm it has been returned. We are flexible on timings of the checking in and out depending on the availability of the volunteer and are willing to work with them for the best way to deliver this scheme.

Dates needed from: To be confirmed, potentially end of July onwards, however we would like to have a list of people interested in being part so we can community directly once we have set dates of this scheme to start.

Please get in touch on [Duty.Communities@scambs.gov.uk](mailto:Duty.Communities@scambs.gov.uk) if you would like to get involved

### **ESOL Assessment**

About: SCDC and County Council are working together in providing ESOL Lessons to Service Users. We will be holding an Assessment Day on **Monday 10<sup>th</sup> July from 10 am onwards.**

Volunteer Requirements: We are looking for volunteers who are able come on **10<sup>th</sup> July from 9:30 am onwards** and help run the assessments. (15-20 volunteers needed). No prior experience is necessary, and a quick training will be provided on the day. Please get in touch on [Duty.Communities@scambs.gov.uk](mailto:Duty.Communities@scambs.gov.uk) if you would like to get involved as we will need to have a list of volunteers prior to their arrival at the hotel. If you are only able to do a certain amount of time, please just let us know in advanced.

### **Pop-up Shop / Donation Room**

About: SCDC have now been allocated with their own space to store donations and set up clothes shop. We are looking for volunteers who are able to come to the hotel and help sort the clothes donation and organise the room as well as run some shop days for Service Users to access the clothes.

Volunteer Requirements: Volunteers who are able to spare 2-3 hours to come and help organise the donations and run a pop-up shop. We are flexible on timing and dates depending on the volunteer's availability.

Dates needed from: As soon as possible.

Please get in touch on [Duty.Communities@scambs.gov.uk](mailto:Duty.Communities@scambs.gov.uk) if you would like to get involved.
